trust and obey (the Lord)

## WHAT IS THE BIBLE ALL ABOUT (in one sentence) ?

Who God is, Who we are, How and why we enter God's presence only through Jesus Christ, How we fit into God's plans, in the past, in the present, in the future.

## Can you give an overview of the Bible in one paragraph? Here is one.

The theme of the Bible is that God, who created everything good, is loving, including just, sovereign, and most holy. Mankind, the crown of His creation who bears His image and with whom He wants to have eternal fellowship, sinned and broke their relationship with God. The loving including just God, offended by sin which hurts people He loves and contaminates the purity of His creation, is unwilling to destroy the crown of His creation; yet they are now unworthy and unable to come into the presence of God who is holy and pure, unless God changes them and makes them fit for His fellowship. So He implements His plan for saving those who will respond to His unmerited blessing (grace). He gathers a people, whom He trains and equips to be His task force, to whom He gives the mission to bring His plan of salvation to all the world, so that all who will believe in, trust, and obey His only begotten Son, Jesus the Christ, who conquers Satan, evil, and the death they brought, will be saved. When the time is right in God's sight, Christ will return, bring justice to the world, separate out those committed to evil, and usher in the paradise of the new heaven and earth for those whom He has saved. The Old Testament points to Jesus Christ, and the New Testament reveals him, what he has done, and what he will do.

#### Reason

- 1. Jesus affirmed the Old Testament.
- 2. Eyewitnesses to Jesus' Resurrection and other events wrote the New Testament.

#### Support for the Reason

- 1. Matthew 5:17-18
- 2. Jesus' authority became apparent with his teaching, miracles, and especially his Resurrection. The apostle Paul testifies that over 500 eyewitnesses saw Jesus after his Resurrection and that many were still alive when he made that statement in 1 Corinthians 15:6, the implication being "Go talk to them." In that culture and small area, they were readily available for comment.

#### Reason

- 1. Jesus affirmed the Old Testament.
- 2. Eyewitnesses to Jesus' Resurrection and other events wrote the New Testament.

Jesus' authority was established with his teaching, miracles, and especially his Resurrection. The apostle Paul testifies that over 500 eyewitnesses saw Jesus alive after his Resurrection and that many were still alive when he wrote that statement in ca. A.D. 55 in 1 Corinthians 15:6, the implication being "Go talk to them." In that culture and small area, they were readily available for comment.

#### Reason

- 3. Historical writings and archaeological findings confirm Scriptural statements. God acts in history.
  - People who attended the Christ Church Holy Land Tours with me saw inscribed on the wall of the temple of Amun at Karnak (Thebes) in Upper Egypt the Egyptian view of the event described in 1 Kings 14:25-28 and 2 Chronicles 12:1-12. Here, Egypt's king, Shishak, gives an account of his defeat of King Rheoboam and Israel. The Bible explains why: "because they ["Rheoboam and all Israel"] had been unfaithful to the LORD." (12:1-2) <u>https://youtu.be/sHPfXfS6G48</u>
  - Here is just one of many evidences disproving the assertion made in ignorance, or deception, that nothing in the Bible is referred to elsewhere outside the Bible. Further, nothing in the Bible has ever been, or ever will be, disproved by careful scientific research.

Another important truth for engaging individuals with the Gospel is seen in this video.

- Atheists and other critics of the Bible wrongly say there is nothing outside the Bible to corroborate what is in the Bible.
- Here is another of many phenomena. Of course the Bible doesn't need proof; it can stand on its own, but tell them about this ancient archaeological site or show them this video. (https://youtu.be/ioLgNen0KQI)
  - This well is in Sychar (modern Nablus) where Jesus met the Samaritan woman. (John 4:1-42. Note v. 11, "the well is deep.") See all the rope needed to lower the bucket.
- The time it took water poured from a cup to reach the water in the well was four seconds! (Hear the splash.)

#### **Support for the Reason**

#### Reason

4. The first Christians chose death rather than deny Jesus Christ, whom they saw after he rose from the dead. They, and multitudes of Christians throughout history have willingly, even gladly, given up their lives rather than recant their faith in Jesus. More in the 20<sup>th</sup> and 21<sup>st</sup> centuries have already been martyred for their faith in Christ than in the whole preceding 20 centuries. Many still are dying for their faith; please remember to pray for them and their families. Many others are suffering in other ways due to their refusal to recant their faith in Christ.

#### **Support for the Reason**

4. So, why is this support for believing that the Bible is true and the Word of God? One of the charges leveled against the New Testament is that it is a myth written by dispirited disciples who fabricated their accounts in order to save face. The blood of the martyrs discredits that opinion. Normal healthy people do not willingly die, or suffer in other ways, as many are also doing, for what they know to be a myth.

#### Reason

- 5. Properly interpreted, the Bible is consistent with careful scientific research and other disciplines of inquiry.
- 5. We must constantly discern the difference between science that has been done by people carefully following the established scientific method, and bogus "science" done by people with motives for personal gain, where they have ignored the scientific method and have produced worthless findings. Those empirical studies that have been carefully done, do not contradict but illustrate God's Word.

# Why Study the Old Testament?

It is the Word of God. The Old Testament (OT) is still authoritative for us. Only by studying the OT can we understand the New Testament (NT). The whole Bible points to Jesus Christ. The OT predicts his coming; the NT explains his coming.

# Why Study the Old Testament?

The OT was the Bible for the first Christians.

Therefore, the NT writers assumed it was unnecessary to repeat prerequisite OT teaching when writing the NT.

# Why Study the Old Testament?

St. Augustine (354-430 AD, **Bishop of Hippo in North** Africa) explained the relationship between the two testaments this way: "The New is in the Old concealed; the Old is in the New revealed." Cf. Luke 24:27,44; John 1:45; 5:46.

#### V. Major Motifs

A. Earth, Ground,

Land (Genesis 2:7; 4:12; 17:8 [but contingent on obedience (1 Kings 9:1-9)]; Psalm 37:11, but cf. Matthew 5:5 and Romans 4:13; Revelation 21:1)

B. Woman as Man's
Counterpart
(Genesis 2:18; Matthew 19:4-6)

Human beings have a psychic rapport with the land. Adam = mankind; adamah = ground. Land is important and will be forever for humans who are a body-soul unity.

She is of his substance and is his corresponding opposite, his helper for God's purposes.

C. Name, Naming (Genesis 2:19-20; 5:2; John 3:18; 14:14; 15:16; Acts 4:12; Ephesians 1:21; Revelation 3:8; 15:4)

D. Blood
(Genesis 4:10,11,; 9:4;
Leviticus 17:11, 14;
Hebrews 9:22)

The giver is a superior.
 The name is the person and reveals character.

Life is in the blood.

E. Covenant (Genesis 12:1-3; 17:1-16; Matthew 26:26-28) The covenant is a key concept for understanding the Bible. It is the special relationship God established between himself and those he chose to bring the good news of his plan of redemption to the whole world. The Covenant is the primary context in which he bestows his special grace.

- F. Unity of Word and
  Deed (Genesis 16:13;
  Deuteronomy 27:26; Matthew 7:15-23)
- G. Memory/Remember (Genesis 19:29; Psalm 9:5-6,12; Isaiah 43:25; Matthew 26:13; Mark 8:18; Luke 1:72; 17:32; 23:42; 24:6)

The same word in both the OT and NT means both word and event, word and deed, are one.

In Hebrew memory and existence are linked. Consider the significance of Jeremiah 31:34.

God Hears H. (Genesis 21:17; 29:33; 30:6; Psalm 10:17; John 5:30; 11:40-42; 1 Peter 3:12 [contrast with idols that cannot hear: Revelation 9:20]) God's Progressive Ι. Revelation (Genesis 18:17; Matthew 5:21-22, 27-28, 38-39)

He is immanent as well as transcendent. He knows our needs and meets them.

 God communicates in terms his people can understand and discloses more at later stages of readiness leading to Christ.

J. Angels

(Genesis 18:2; 32:24; Luke 1:11,26,28,30,35; 2:10,13; 22:43; Matthew 1:20; 2:13, 19; 28:2,5; Acts 5:19)

K. God as an Active God (Genesis 1:1-2:3; Exodus 13:14-15:2, esp. vss. 13:14, 19, 21; 14:13-14, 21-25, 30-15:2; 1 Kings 18:1- esp. vss. 36-39, 46; Ephesians 4:4-10) Both Hebrew and Greek words mean "messenger" (from God).

Throughout the whole Bible on every page of the Bible, God reveals himself as actively caring for his creation and accomplishing his creative and redemptive purposes.

L. God as Always with Us (Deuteronomy 31:6,8; Joshua 1:5; Matthew 1:20-23; 28:20; Hebrews 13:5-6)

God is always with us and will never leave us or forsake us, so we should not be afraid.

#### M. Sin

(Genesis 2:17; 3:1 ff.; Romans 6:23)  Sin is linked to disobedience from the beginning (Genesis 2:17; 3:1 ff.). Sin is disobedience to God's character and will as revealed in the Bible.

M. Sin (Genesis 2:17; 3:1 ff.; Romans 6:23; Revelation 20:6)

2. Sin results in death of two types: physical death and eternal death. God, who is most holy and the source of life, will not have fellowship with sinners. Sin is made known by the Holy Spirit.

M. Sin (Genesis 2:17; 3:1 ff.; Romans 6:23; Revelation 20:6) 3. Even unintentional sin brings guilt.
(Leviticus 4:13 ff.)

N. Separation (Genesis 24:1-4; 28:1; 1 Peter 2:9-10) God's people were to be separate from the influences of the pagan people in surrounding cities in order to be holy to God who is Most Holy.

Their separation relates to their being holy (separate) to God in order to accomplish their calling, mission.

O. Monotheism (Genesis 31:19; 35:1-4; Deuteronomy 6:4; Ephesians 4:3-6) In Bible times belief in one God was very new, shared only by the Israelites, and they were often unfaithful due to influences from their surrounding culture. For Reflection or Discussion: How can we protect ourselves from such unfaithfulness and disobedience today?

- I. The Historical Situation: Three powers who struggled for political control of the region from 2,000 B.C.—the conquest of Canaan and the Judges.

B. The Religion of
Canaan: Fertility Cults
(1 Kings 18)

C. Policy of Peaceful Co-existence in Disobedience to God (I Kings 11-12)

D. The Tribal Allotment (Joshua 13-21)

V. The Period of the Judges
A. Historical Background:
Philistines a menace to
Israel due to their
possession of iron
weapons, but no
problem when Israel
obeyed God (1 Samuel
13:19-14:23)

 B. Purposes of the Judges
 1. To interpret setbacks as God's judgment for Israel's evil. No setbacks when they obeyed.

> 2. To deliver Israel from their oppressors who were God's instruments of judgment.

VI. Major Motifs A. Call (Exodus 3:10; Romans 1:1,17; Colossians 3:23-24)

> B. Grace-Response (Exodus 4:31; Ephesians 5:15-20)

Our vocation (< L.</li>
 *vocare*, to call) is
 God's setting us apart
 for His work.

 God's people always express thanks to Him in word and deed for their unearned blessings.

C. Exodus (Exodus 13:3; Acts 7:17-40; 13:17; Hebrews 3:15-19; 8:9; 11:24-29; Jude 1:5; Revelation 15:3)

D. Bondage (Exodus 13:3; Acts 7:6-7 KJV; Romans 6:6; Galatians 5:1 KJV; Hebrews 2:15; 2 Peter 2:19)  This mighty act of God delivered his people from bondage.

God's freeing them from physical bondage is linked to freedom from spiritual bondage in the NT.
E. Law (Exodus 20:1-26;
 Ephesians 2:11-16) The law was a blessing. (Psalm 119:97) The law taught holy living and the need for God's grace. There were three types of law: civil (for when Israel was a theocracy), ceremonial (for OT religious rites), and moral (e.g., the 10 Commandments, which are still required by God, but failure to keep is forgiven by faith in Christ Jesus). Salvation is by faith, not by law, in both the OT & NT.

F. Priest, Priesthood (Exodus 19:6; Hebrews 7:1-8:2; 1 Peter 2:9)

G. Salvation (Exodus 15:1-2; Psalm 3:7,8; Acts 4:12) OT priests served as intercessors between God and His people. Priests offered sacrifices for God's people.

Salvation is seen in the OT as deliverance from evil of all kinds by faith in God.

H. Redeem, Redemption(Exodus 15:13;Romans 3:24)

I. Rest (Exodus 20:8-11; 33:14; Joshua 1:13; Hebrews 3:16-4:11)  Redemption is the means by which salvation occurs.
 To redeem involves paying a ransom.

Rest involves not only physical comfort, joy, and peace but also spiritual comfort, joy, and peace in eternal salvation in Christ Jesus.

J. Atonement (Exodus 29:33; Leviticus 16:11,15-22) or, Propitiation (Romans 3:23-26; 1 John 4:10; 1 John 2:2; Hebrews 2:16-17 NASB) The Bible teaches that, contrary to all other religions, God himself takes the initiative in the atonement for man's sins. Atonement is the experience of God's forgiveness by faith in and reconciliation with God brought about through redemption.

The Greek word, *hilasterion*, most accurately translated propitiation, means the removal of divine wrath. The concept of divine wrath occurs 585 times throughout the O.T.

#### K. Sacrifice

(Leviticus 3:1 ff.; 16:5-6,11,15; Exodus 29:33; Romans 12:1,2; Hebrews 9:11-28)

Necessary for reconciliation with God (Leviticus 16:5-6,11,15), it involves the death of one being for another. We see God's saving love in the sacrificial system that in the OT modeled and pointed to the perfect and once for all sacrifice that was fully realized in Jesus' sacrifice of himself as revealed in the NT.

It must be unblemished. (Leviticus 3:1; Hebrews 9:11-28)

L. Holy (Leviticus 19:2; 1 Peter 1:13-16; 2:9-10)

M. Persecution (Psalm 9:13; 2 Timothy 3:10-4:8 Both the Hebrew and Greek words translated "holy" mean set apart for God's service. That service gives what is set apart very high value.

God has called his people to proclaim his plan of redemption in a world that has been led astray by Satan and the demons. Christ has defeated them, but we are engaged in a spiritual warfare that, like all war, can and will be painful at times for those who are faithful.

N. Gifts From God (Exodus 31:6; Ephesians 4:7-16) O. God as an Active God (Genesis 1:1-2:3; Exodus 13:3, 14-15:2, esp. vss. 13:14, 19, 21; 14:13-14, 21-25, 30-15:2; 34:11; 1 Kings 18:1- esp. vss. 36-39, 46; Ephesians 4:4-10)

 God gives people abilities they can use in his service.

Far from a deist view of God, God reveals himself in the Bible as very active in the world and particularly in the lives of his people.

P. Fear of God

(Genesis 20:11; Exodus 18:21; Leviticus 19:14; Joshua 4:24; Luke 23:40; Acts 13:16,26; 2 Corinthians 5:11; 1 Peter 2:17; Revelation 19:5) The awareness of human sin and God's being most holy as well as all love, does and should result in a healthy fear of God in recognition of what he will do in his judgment upon unrepentant sin and evil.

God's mercy upon believers in the coming Messiah, motivates their grateful response of respect, which is also referred to as fearing God.

2. Law Turned into a Stumbling Block for Justice (Amos 5:7)

3. Separation Made toBe a Curse (Jonah 3:10-4:1)

5. Holy Land Used for Unholy Purposes (Jeremiah 2:7) **B.** To Predict Results of Continuing to Act As in Past (Deuteronomy 18:15-22; Jeremiah 1:11-16): FORETELLING

IV. Major Motifs

A. Sacrifice
(Leviticus 3:1 ff.; Romans 12:1,2; Hebrews 9:11-28)

Sacrifice in the OT is the offering of a possession for God's praise, atonement, or to pay a vow. Sacrifice came to be an empty tradition by the unrighteous. (Jeremiah 6:20; Hosea 6:6; Matthew 9:13)

B. Forgiveness
(Leviticus 4:20; Matthew 26:28; John 14:6)

Forgiveness is the result of atonement, God's declaration that the believer's sin is nonexistent, as if it never occurred; is unmerited; and is contingent upon confession and repentance. Since God is holy, holy, holy, and no unrighteous person can enter his presence, Christ Jesus came to provide the forgiveness necessary to come to the Father. (John 14:6)

#### C. Confession (Numbers 5:7; James 5:16; 1 John 1:9; 4:15; Matthew 10:32; Romans 10:9; Philippians 2:11; 1 Timothy 3:16; Revelation 3:5)

Confession is an honest and contrite admission to God that one is truly sorry for a sin, including repentant, and a sincere turning away from, desire, and effort to not repeat the sin. Confession is also the acknowledging, admitting, professing, agreement that one believes in and is in relationship with Christ Jesus and the triune God.

D. Vicarious Bearing of Sin (Leviticus 5:6; 17:11; Isaiah 53:10-11; 1 Peter 2:24) This involves one being taking on the punishment due another for his or her sin—preparation for understanding Christ's once for all sacrifice.

E. Mediator(Deuteronomy 5:5; Hebrews 9:15) A mediator is one who stands between two parties who are alienated from one another for purposes of reconciliation. Now, Christ is the only Mediator between us and God.

#### F. Election

(Exodus 19:3b-8; Deuteronomy 7:6-11; Ephesians 1:3-14)

- Election is God's selection of Israel to communicate his plan of salvation for the world.
- Election is for function, not for status, superiority.
- Israel's election was out of God's love, not their merit.
- Now the church is God's elect, NT Israel. (Galatians 3:26-29; 1 Peter 2:10)

#### G. Love

(Deuteronomy 7:8-9; 6:5; 1 Corinthians 13:4-7) Love in the Bible originates from God and involves acts toward another for that person's benefit. Feelings follow acts.

H. Anoint, Anointed One The Hebrew: משׁיח  $(m\bar{a}\check{s}\hat{i}ah > Messiah)$ and Greek: Χριστός (*Christos* > Christ) are both translated "anointed one" in English.

Anointed one designates a person who holds one of three specific functions, all being forerunners of and pointing to Jesus the Christ, the Anointed One (Isaiah 61:1-2 and Luke 4:18-19; Acts 10:38), who holds all three: He's the only priest including high priest, prophet, and king, who fulfills all God's plan of redemption for his whole creation.

I. Prophet (Deuteronomy 18:15-22; 1 Corinthians 14:1-5, 24)

Called by God to speak his Word, there were two main aspects of their message: + forthtelling + foretelling God told his people how to distinguish between true and false prophets.

J. Righteousness (Deuteronomy 24:13; Romans 3:21-26) Often used synonymously with justice (same Hebrew and Greek word), righteous-ness means being acceptable ('right with") God, according to his standard.

K. Obey
(Deuteronomy 28:1;
28:1; John 14:21;
Hebrews 5:9)

 Obedience means behaving according to the law and will of God.

L. King (1 Samuel 8:7 ff.; Isaiah 9:7; 1 Kings 9:1-9; Luke 1:32-33) Israel's human king was to rule for God under His authority and to be holy to God. The king's main responsibility was to maintain righteousness.

M. Temple (1 Corinthians 3:16-17; 6:19-20; 17:1-14; Matthew 24:1-2; John 2:18-22; 4:19-26) The Temple was where people came to meet God, where he dwelled. It was thus the central and most important aspect of Israel's life. Jesus fulfilled this concept in himself. (John 2:19-21)

I. The End of the United Monarchy (1 Kings 12) A. Rehoboam's Disregard of Wise Counsel

B. Jeroboam's Revolt

II. Israel and Judah (1 Kings 12:16-20) A. Israel – 10 Northern Tribes

> B. Judah - 2 Southern Tribes (Called one tribe due to Simeon being absorbed by Judah, as Simeon's inheritance in the tribal allotment was taken from Judah "because Judah's portion was more than they needed." [Joshua 19:9])

III. The Prophetic Message from God through His Prophets

- A. The Two Options
  - 1. Trust God and flourish.
  - 2. Continue to disobey and lose the land and be exiled.

B. The Coming of a Messiah out of David's Seed (Isaiah 9:2-7)

#### C. The Birth of a New Era

(Isaiah 11:1-11. This passage is an example of the principle of interpretation called the prophetic perspective, or prophetic foreshortening, or near and far fulfillment, where the prophet predicts future events but does not distinguish between those that will be occurring in the present age within a few decades and/or even yet many centuries from those that will occur at the end of time. Here Isaiah speaks of both Jesus' First Advent [vss. 1-3a] and his Second Advent [vss. 3b-11]) as well as a major event coming much sooner that will precede Jesus' two advents: the return from captivity in the sixth century B.C. of the faithful remnant. [Vss. 10-11])

#### D. Restoration

(Isaiah 11:6-9; 35:1-10; 40:9-11; 51:3; 60:18; Ezekiel 36:23-28, 35a; Romans 5:1; 6:1-4; 8:1; 2 Corinthians 5:16-21) The prophets brought hope to the Exiles.

E. Promises to Be for the Remnant (Isaiah 1:10-31; 11:11-12; Jeremiah 23:3-4; 29:10-14; 31:7-9) The promises of the prophets were conditional—pertaining to the purified remnant that would receive the promised blessings and accompanying responsibilities.

**IV.** Major Motifs A. Bride (Jeremiah 3; Ephesians 5:23 ff. See also Deuteronomy 7:3-6; Ezra 9:1,2-10:44; Nehemiah 10:30; Exodus 34:16; Genesis 28:1 ff.; 2 Corinthians 6:14-18.)

The Bible uses two major analogies for the covenant: father and son, husband and wife (bride). The marriage relationship conveys love, faithfulness, trust, caring, progeny (the outreach of God's people). In accord with the major motif of holy/holiness, God's people are to marry only another believer in the Lord.

B. Branch
 (Jeremiah 33:15;
 John 15:1-12;
 Romans 11:16-29)

This motif symbolizes the Anointed One (Messiah, Christ) whose human lineal connection is with David according to God's promise. In the New Testament it illustrates our relationship with Christ Jesus.

C. Exile (Isaiah 27:8; James 1:1)

D. The Suffering Servant (Isaiah 52:13- 53:12; Matthew 17:22-23; Acts 2:22-36; 2 Timothy 3:10-4:8; 1 Peter 2:18-25) The Exile demonstrates God's love, including discipline of his people, justice, and commitment to his promises.

The Messiah and his people will suffer in faithfulness to the mission. His suffering, death, and resurrection will be salvific.

- I. The Fall and Exile of the Northern Kingdom—722 B.C.A. Precedents
  - Worship of False gods (1 Kings 16:30-33)
     Israel always suffered from worshiping the false gods of the pagans due to the failure to destroy all the Canaanites in the Promised Land.

- 2. Period of Wealth and Prosperity
  (2 Kings 14:25,28; Amos 6:4-6)
  This period fostered the development of materialistic values.
- B. Rise of Assyria
  (2 Kings 15:17-20)
- C. Israelite King's Turning to Foreign Alliances Instead of God (2 Kings 15:19—16:1-20)

D. Dispersion of the
 Northern People
 (2 Kings 17)

II. The Fall and Exile of the Southern Kingdom—586 B.C.
A. Precedents

- Worship of False gods
   (2 Chronicles 36:9-17)
- 2. Disregard of God's Word by Judah's Kings (E.g., Jehoiakim [2 Chronicles 36: 4-17; Jeremiah 36:1-32])

B. Rise of Babylon (2 Chronicles 36:4-10)
C. Dispersion of the Southern People (2 Chronicles 36:10-20) Babylonian Empire Early 6th century BC

**III.** The Prophetic Message A. Fall and Exile Are **God's Promised** Judgments and **Disciplines on** Evil in Israel and Judah (1 Kings 9:1-9; 11; Jeremiah 25:8-14; 30:1-3 ff.)

**B.** The Instruments of God's Judgment (Assyria and Babylon as Well as Other Nations Used by God) to Be Judged (Jeremiah 25:8-14; 50:6-14)

C. Israel (in the Broad Sense, including Judah) to Be Restored after 70 years (Jeremiah 25:8-14; 30:1-3 ff.)

IV. Israel Restored

A. Babylon Conquered by Persia (539 B.C.) (2 Chronicles 36:20-23)

B. Edict of Cyrus Permits Return (Ezra 1:1-4)

C. Reconstruction of the Temple (Ezra, ca. 458 B.C.; Book ca. 440 B.C.)

D. Reconstruction of Jerusalem's Walls (Nehemiah, ca. 445 B.C.; Book ca. 430 B.C.)

E. Recommitment to the Law
(Nehemiah 8-10. See in particular 8:2-3,8; 9:38; 10:28-30,32,35.)

V. The Faithful Remnant (Isaiah 10:20-22, 37:30-32)
A. Nature of the Faithful Remnant

B. The Remnant in the New Testament
Church
(Romans 4:13-15; 11:1-7; Galatians 3:6-9,26-29)

#### VI. Major Motifs

A. God's Providence (Nehemiah 9:6; Ephesians 1:3-14)  God cares for, upholds, and governs his creation and provides for its redemption and renewal.

B. Judgment (Jeremiah 25:8-14; Matthew 25:31-46) Because he loves his people, he will judge evil in order to make those who trust and obey fit for his fellowship and for effective service.

C. Restoration
 (Jeremiah 25:8-14;
 30:1-3 ff.; Revelation
 21:1-8)

As Israel was restored according to God's promise in a partial glimpse of the future restoration of God's kingdom, so he will restore his creation at the end of time in its fullness and perfection as he has also promised.

#### D. Hope

(Ezra 10:2; Psalm 10:18; 42:5,11; 43:5; Isaiah 40:31; Jeremiah 31:17; Lamentations 3:21,24,26; Hosea 12:6; Micah 5:7; 7:7; Matthew 12:21; Mark 15:43; Acts 2:26; 24:15; 28:20; Romans 4:18; 5:4-5; 8:25; 15:12-13; 2 Corinthians 1:10; 3:12; Galatians 5:5; Ephesians 1:18; Colossians 1:5,23,27; 1 Thessalonians 1:3; 4:13; 2 Thessalonians 2:16; 1 Timothy 1:1; 4:10; 5:5; 6:17; Titus 1:2; 2:13; 3:7; Hebrews 3:6; 6:18-19; 10:23; 1 Peter 1:3,13,21; 3:15; 1 John 3:3)

As God has proven himself trustworthy by the fulfillment of many prophecies, the greatest of which is all that his only begotten Son did including his suffering and resurrection from the dead to provide and assure us of salvation; by always telling the truth; and with countless other demonstrations of his steadfast love and care in his Word and in our daily lives, we always and constantly have hope that he will continue to fulfill all his promises to us.

D. The Old Testament Apocrypha

1. Meaning and Significance

2. Use by the New Testament Writers The word means "hidden," and primarily refers to 15 books written between the OT & NT, the period when God did not speak. The Holy Spirit-inspired Bible writers use the apocryphal books for illustration, not for authority.

E. The Pseudepigrapha1. Identification and Significance

The word literally means "false writings," i.e., those having no author or one using a pseudonym and which the early church didn't consider as canon.

2. Use by the New Testament Writers  Bible writers used the pseudepigraphal books for illustration not for authority.
 E.g., Jude 14, 15 is a quote from Enoch 1:9.

(Isaiah 46:13; Matthew 1:21; Luke 2:30-35)

- II. Jesus' Nature and Messianic Function
  - A. Jesus' Twofold Nature
    - 1. <u>Divine</u>: Fully (100%) God (Isaiah 7:14; 9:6; 61:1; Colossians 2:8-10; Hebrews 1:3)
    - 2. <u>Human</u>: Fully (100%) Man (Isaiah 9:6-7; 11: 1-11; Daniel 7:13-14; Hebrews 2:17) but without sin (Hebrews 4:15; 9:28)

B. Jesus, the Messiah 1. His Functions a. Prophet (Luke 13:3) 1) Forthtelling (John 8:26-28) 2) Foretelling (Matthew 24:3-35)

b. Priest (John 14:6; Hebrews 4:14-16)1) Sacrificial Work (Matthew 27:45-56; Hebrews 2:17; 9:23-24) 2) Intercession (Isaiah 53:12; Romans 8:34; Hebrews 7:24,25)

#### c. King

(Isaiah 9:7; Psalm 110; 1 Kings 9:1-9; Luke 1:32-33)

1) Everything under Jesus' feet (1 Corinthians 15:25-27)

2) Jesus' reign sovereign (Jude 4)

3) Jesus' kingdom not geopolitically of this present world (John 18:36); His reign in the hearts and minds of his true believers who obey him; kingdom to be fully manifest when Jesus returns in his second coming. (John 14:21; 1 Corinthians 15:24)

2. Jesus' Vicarious Atonement Sufficient for All but only Efficacious for Those Who Believe in and Follow Him (Leviticus 5:6; 17:11; Isaiah 53:6,9-11; Mark 10:45; 1 Peter 2:24)

> a. "He is the atoning sacrifice [propitiation, NASB, KJV] for our sins, and not only for ours but also for the sins of the whole world." (1 John 2:2)

b. All other religions prescribe ways for adherents to save themselves.

- B. Jesus Revealed Attributes of God
  (Mark 1:41; 2:5; 6:39-44; 11:15-17; John 3:16; 6:40; 10:30; 14:6-10)

F. Relationship with God Only Possible in Christ and Necessary for a Full Life and Eternal Well-Being (John 10:10; 14:6; Matthew 22:36-40; 1 Corinthians 7:19; 2 Corinthians 5:19)

Calligraphy by Mrs. Carol Seely

G. Jesus Identified the Factors that Threaten Our Relationship with God (Matthew 26:41; 13:22; 15:8-20, esp. v. 19; Luke 8:12,14; John 8:44; 1 Corinthians 6:9-20)

H. Jesus Taught Responsibilities Characteristic of a Right Relationship with God (John 14:21; Matthew 5:43-6:16; Luke 17:3-4; Mark 14:36; Matthew 16:24-25; 20:25-28; 28:18-20)

I. Jesus Declared Promises, Powers, and Blessings Which Come to Those Who Believe in Him and Thereby in Relationship with God

(John 14:26; Mark 13:11; Luke 12:11-12; Mark 11:25; Luke 5:20; John 8:51; Matthew 25:46; Mark 10:30; John 3:15-16 (NASB, KJV); 5:24; 6:47; Romans 4:18-25; John 14:2; Matthew 9:20-22; 17:20; Mark 9:23; Luke 7:50)

IV. Major Motifs A. Blood (Leviticus 17:11; Hebrews 9:22)

> B. Covenant (Genesis 12:1-3; 17:1-16; Matthew 26:26-28)

Life is in the blood.

The covenant is a key concept for understanding the Bible. It is the special relationship God established between himself and those he chose; it is the primary context in which he bestows his special grace.

- C. Unity of Word and Deed
  - (Genesis 16:13; Deuteronomy 27:26, Matthew 7:15-23)
- D. God's Progressive
   Revelation
   (Genesis 18:17; Matthew 5:21-22, 27-28, 38-42)

- The same word in both the OT and NT means both word and event, word and deed, are one.
- God communicates in terms his people can understand and discloses more at later stages of readiness leading to Christ to whom the whole Bible points and whom the NT reveals.

E. Salvation (Psalm 3:7,8; Acts 4:12) Salvation is seen in the OT as deliverance from evil of all kinds by faith in God and also in the NT as an eternal relationship with God and his people, the church, in Christ for the purpose of serving God in reaching out to others so they too may be saved and enjoy an eternal blessedness with the triune God and all his people in glory in the new heaven and new earth.

F. Redemption (Exodus 15:13; Romans 3:24)

#### G. Atonement

(Exodus 29:33; Leviticus 16:11, 15-22; Romans 3:2; 2 Corinthians 5:19) <u>or</u>

Propitiation (Romans 3:23-26; 1 John 4:10; 1 John 2:2; Hebrews 2:16-17 NASB)  Redemption is the means by which salvation occurs.
 To redeem involves paying a ransom.

Atonement emphasizes the experience of God's forgiveness and reconciliation with God brought about through redemption. Propitiation denotes God's removal of his wrath against sin.

 H. Vicarious Bearing of Sin
 (Leviticus 5:6; 17:11; Isaiah 53:4-6,10-11; 1 Peter 2:24) The vicarious bearing of sin involves one Being taking on the punishment due another for his or her sin perfectly fulfilled only in Christ Jesus' once for all sacrifice.

#### I. Love

(Genesis 24:27; Exodus 15:13; 20:6; Matthew 5:43-48; John 13:34-35; Romans 5:6-11; 1 Corinthians 13:4-7; 1 John 4:7-21)

J. Obey (Deuteronomy 28:1; John 14:21; Hebrews 5:9) Love in the Bible originates from God and involves acts toward another for that person's benefit. Feelings follow acts.

Obedience means behaving according to the law and will of God. Throughout the Bible, obeying demonstrates genuine faith in and love of God.

K. Suffering Servant
(Isaiah 52:13-53:12;
2 Timothy 3:10-4:8;
1 Peter 2:18-25)

God's only begotten Son, to whom the OT points and the NT most clearly reveals and explains, is the promised Messiah, the Redeemer, who is to be the Suffering Servant. The people whom God has called, through whom he will accomplish his redemptive purposes, will experience suffering in the process, as did his Messiah, the Christ.

L. Righteousness (Deuteronomy 24:13; Romans 3:21-26)Mediator Μ. (Deuteronomy 5:5; Hebrews 9:15)

Often used synonymously with justice (same Hebrew and Greek word), righteousness means being acceptable ('right with'') God, according to his standard.

A mediator is one who stands between two parties who are alienated from one another for purposes of reconciliation. Now, Christ is the only Mediator between us and God.

N. Fear of God

(Genesis 20:11; Exodus 18:21; Leviticus 19:14; Joshua 4:24; Luke 23:40; Acts 13:16,26; 2 Corinthians 5:11; 1 Peter 2:17; **Revelation 19:5** 

The awareness of human sin in the light of God being most holy as well as all love, does and should result in a healthy fear of God in recognition of what he will do in his judgment of unrepentant sin and evil. His forgiveness in Christ, motivates a grateful response of respect, which respect is also referred to as fearing God.

I. Pentecost: the Enablement and the Empowerment— Not the Birth—of the Church, New Testament Israel

A. The "Pouring Out of the Holy Spirit" (Joel 2:28; Acts 2:16-43)

B. The Church Is the People of God, Abraham's Descendants, the Visible Manifestation of the Covenant with Abraham and Renewed in Christ Jesus.

> (Genesis 12:1-3; 17:1-16; Galatians 3:29; Romans 4:16-17; 8:15b-17, 22-23; Colossians 2:9-12; Revelation 7:9)

**IV.** Overcoming Problems

A. Reversion

B. Immorality(1, 2 Corinthians)

C. Why Work

D. Church Leadership

E. Trials of the Church

F. False Teaching

V. Major Motifs
A. Separation

(Genesis 24:1-4;
28:1;
2 Corinthians 6:14;
1 Peter 2:9-10)

B. Holy
(Leviticus 19:2;
1 Peter 1:13-16;
2:9-10)

God's people were to be separate from the influences of the pagan people in the surrounding cities in order to be holy to God who is Most Holy.

Their separation relates to their being holy (separate) to God in order to accomplish their calling, mission. Both the Hebrew and Greek words translated "holy" mean set apart for God's service. That service gives what is set apart very high value.

C. Law

(Exodus 20:1-26; Ephesians 2:11-16) The law was a blessing. (Psalm 119:97) The law taught holy living and the need for God's grace.

There were three types of law, all pointing to and fulfilled by Christ: civil, ceremonial, and moral. The civil law applied to government during the period of the theocracy. As a result of Christ's sacrificial death and shed blood, the ceremonial law has been changed (Acts 15:20), but the moral law remains intact (e.g., Exodus 20:1-17). Salvation is by faith, not law in OT & NT.

#### D. Election

(Exodus 19:3b-8; Deuteronomy 7:6-11; Ephesians 1:3-14) Election is God's selection of Israel to communicate his plan of salvation for the world.

Election is for function, not for status, superiority.

Israel's election was out of God's love, not merit.

Now the church is God's elect, NT Israel. (Gal. 3:26-29; 1 Peter 2:10) For more on election see EDS Website, http://www.fromacorntooak12.com/wp -content/uploads/2017/08/Part-19-Who-is-God-His-Works-Predestinationand-Election.pdf

#### E. Call

(Exodus 3:10; Romans 1:1,17; Colossians 3:23-24; Ephesians 4:1) Our vocation (< L. *vocare*, to call) is God's setting us apart for His redemptive purposes. Our call from God typically involves his guidance of us to a specific service for the accomplishment of his purposes.

F. Monotheism (Genesis 31:19; 35:1-4; Deuteronomy 6:4; Ephesians 4:3-6) In Bible times belief in one God was very new, shared only by the Israelites and the Christians. God's people have always struggled to be faithful to the One true God, due to influences from their surrounding culture.

G. God as an Active God (Genesis 1:1-2:3; Exodus 13:3, 14-15:2, esp. vss. 13:14, 19, 21; 14:13-14, 21-25, 30-15:2; 34:11; 1 Kings 18:1— esp. vss. 36-39—46; Ephesians 4:4-10)

Throughout the whole Bible on every page of the Bible, God reveals himself as actively caring for his creation and accomplishing his creative and redemptive purposes, in the OT pointing to Christ and in the NT revealing and explaining Christ.

H. Gifts from God (Exodus 31:6; Ephesians 4:7-16)

God gives people abilities they can use in his service. Christ Jesus has given grace to each of his people in the form of the calling, equipping, and maturing of the church, building up the body of Christ, for works of service in order for the Lord to accomplish his redemptive purposes through the church.

I. Grace-Response (Exodus 4:31; Ephesians 5:15-20)

J. Bride (Isaiah 62:5; Jeremiah 3; Ezekiel 16:32; Ephesians 5:21-23)  The redeemed in Christ live differently out of gratitude for salvation in Christ.

The church is the Bride of the Lord God, indeed of Christ.

K. Sacrifice (Leviticus 3:1 ff.; 16:5-6,11,15; Exodus 29:33; Leviticus 3:1 ff., Romans 12:1,2; Hebrews 9:11-28)

God's people voluntarily obey his moral law out of thanksgiving for what he has done.

B. Meaning of the Term "Canon"

C. Formation of the New Testament Canon Canon means standard, rule.

Three criteria guided selection: apostolic authority, congruence with existing Scripture and traditional theology (the rule of faith), continuous acceptance and usage by the churches.

II. The Development of Church Teaching

A. The Bible

B. The Unity and Trinity of the Godhead 1. God is three persons who share one substance; thus, he is one.

B. The Unity andTrinity of theGodhead

 The sun is one of the best analogies of the Trinity. (Cf. Romans 1:20)

- The sun shows how it is very reasonable to view something as having three distinct parts at the same time but comprising one entity.
  - The ball of fire.
  - The rays of light.
  - The heat.
- The ball never exists without the light and the heat; the light never exists without the ball and the heat; the heat never appears without the ball and the light.
- All three exist simultaneously and constitute one luminary.

C. The Divine and Human Nature of Christ

D. The Justification and Sanctification of **Regenerated Mankind**  $\square$  NR = Non-regenerated; R = Regenerated (born again) by faith in Jesus Christ. John 3:16; Romans 4:18-25; 10:9; 1 Corinthians 12:3)

- III. The Second Coming of Christ Jesus and the End of Time
  - A. The IntermediateState(Luke 23:43)
  - B. Events, Signs, Preceding Jesus'
    Second Coming (Matthew 24)

C. Jesus' Second Coming (Matthew 24:29-31)

D. The Resurrection (1 Corinthians 15)

E. The Last Judgment (Matthew 25:31-46)

#### F. The Final States

 Of the Righteous (Matthew 25:31-40; Revelation 21:1-4)

 Of the Wicked (Matthew 18:9; 25:41-46)

The church does so with hope (inaugurated expectation: victory has already begun), confidence, and joy, knowing that Jesus Christ is the only Savior and Lord.

"Jesus said...'I am the way, the truth, and the life; no one comes to the Father but through me.'''(John 14:6 NASB)

"Jesus Christ is Lord." (Philippians 2:11)

Eschatology: What will occur at the end—the end of my life and the end of history? Consummation

#### **Doctrine of the Last Things**

Meaning and Practical Benefits

In Christ Jesus' first and second advents we see the beginning and the conclusion, respectively, of what the Bible and Christian theology call the end time or the end of the ages. (Hebrews 9:26) This is the consummation of God's plan to restore his creation.

Eschatology: What will occur at the end—the end of my life and the end of history? Consummation

#### **Doctrine of the Last Things**

#### Meaning and Practical Benefits

Jesus' first advent reveals his perfect divine-human and sacrificial love. That love will also be operative in his second advent. In his first advent, he said he had not come to judge but to save. (John 3:17; 12:47)

#### Eschatology: What will occur at the end—the end of my life and the end of history?

**Consummation** 

#### **Doctrine of the Last Things**

At his second advent, he is coming for the promised judgment that will resolve all wrongdoing and evil, and forever restore his perfect creation, for which he said he would return. His love is seen in providing a new (kainos) heaven and a new (kainos) earth in which God will again dwell with his faithful covenant believers in eternal glory where there is no more sin, evil, death, mourning, crying, or pain. (Matthew 25:31-46; John 12:48; 2 Corinthians 5:10; Revelation 21:1-8)

#### Meaning and Practical Benefits

Muchiel 1

**IV.** Major Motifs A. God Always with Us (Deuteronomy 31:6,8; Joshua 1:5; Matthew 1:20-23; 28:20; Hebrews 13:5-6)

God, who loves us and is sovereign, is always with us and will never leave us or forsake us, so we should never be afraid.

B. Providence (Nehemiah 9:6; Ephesians 1:3-14) The work of God is expressed in love and justice whereby he preserves (upholds), cares for, guides, and governs his creation in such a way that the needs of his people are met. At the same time history is progressing toward the end he has established, the redemption and renewal of his creation in and through Jesus Christ.

C. Judgment (Jeremiah 25:8-14; Matthew 25:31-46)

Since God is truly love to the core of his being (1 John 4:8) and loves his people, he will judge evil in order to make those who trust and obey fit for his fellowship and for effective service. Because God is also holy, holy, holy, he will not allow evil in his presence or to corrupt his creation when he brings his plan to renew his creation to completion in the new heaven and the new earth.

D. King, Kingdom of God (Genesis 14:18-20; Hebrews 6:20-7:19; Psalm 110; Isaiah 9:6-7; 1 Kings 9:1-9; Ezekiel 34:11-16,20-24; Luke 1:32-33; John 18:36-37; Ephesians 1:15-23)

- The kingdom of God is the rule of God in human hearts and minds.
  - Jesus inaugurated the kingdom in his first advent; he will complete it at his second advent.

As Jesus taught, his kingdom is not a political entity; it is not of this world. (John 18:36)

E. Restoration (Jeremiah 25:8-14; 30:1-3 ff.; Revelation 21:1-8) As Israel was restored according to God's promise in a partial glimpse of the future restoration of God's kingdom, so he will restore his creation at the end of time in its fullness and perfection in the new heaven and the new earth as he has also promised.
